In Harmony / West Yorkshire Playhouse

In and amongst all of these dates listed above children continue to receive additional workshops from In Harmony and West Yorkshire Playhouse. This has become a real strength of the school and we are very proud of the effort applied by all children during these sessions. Parents – look out for invitations from the Playhouse and Opera North to attend performances. Children always enjoy performing for and to their parents.

Manchester & London

Our school community was deeply moved by the appalling terror attacks in Manchester and London. Unfortunately we cannot shield our children from the world we live in and many children wanted to talk about the images or news they saw or heard on the internet, television and radio. Please know that staff know how to respond to children's questions in an age appropriate and sensitive way. If

parents would like any support in how they talk about these issues at home please contact school – we're happy to help.

Also, as a school we take security and the safeguarding of your children extremely seriously. School has many policies and procedures to cover a host of incidents. However, in light of recent events, we are in the process of reviewing all of our emergency policies – I will keep you informed of our progress. Please contact school if you would like a copy of any policies.
