

Year 5 Newsletter

April 2018

Dear Parents and Carers,

Welcome back to Year 5 after the Easter holidays! We hope that the children are all rested after their 2 weeks off. As usual, this term will be extremely busy with lots of exciting things going on.

Parent Consultation Evening

This year we had great parental attendance! Your support really benefits the children's performance and we feel that this is evident in the progress that the children have made this year. Many thanks for your continued support!

Primary Players

This term, Year 5 have the fantastic opportunity to work with Primary Players! Every Wednesday, Primary Players will be coming to our school to teach the children about The Tempest by William Shakespeare. Children will learn a small section of the play that they will then perform at the West Yorkshire Playhouse! This is an amazing opportunity for our children and we hope to see you at the production next half term!

Skelton Grange

This half term, Year 5 will be going on a trip to Skelton Grange! This will link in with our topic of life cycles in Science. Children will be learning about the life cycles of different animals and will have the opportunity to interact with different wildlife at the centre! Dates are still to be confirmed and letters will be sent out soon.

Optional SATs

This term, children will be completing assessments that will include optional SATs. These are nothing to worry about! They give the class teachers a good indication of the progress made this year and will help to inform the Year 6 teachers about what work needs to be done to adequately prepare them for the Year 6 SATs.

Thank you for your continued support
From all the Year 5 staff.

5M Reminders

Every day

- Home reading books to be brought to school

Wednesday

- Morning with Miss Richardson
- P.E
- Homework to be brought back in (completed)
- Primary Players

5J Reminder
