

Year 6 Newsletter

September 2017

Dear Parents and Carers,

Welcome to Year 6! Both classes have made a great new start to school and look very smart in their uniforms. We are hoping for Year 6 to be the best yet and there will be opportunities through out the year for the children to really take on active roles with in the school.

Reading Books.

Your child will be given a reading book to take home. This will be taken home on the days that are arranged by your class teacher. There will be a charge for any lost or damaged books. We encourage parents and carers to listen to their child read or discuss the books they are reading then make a comment and sign their reading journals, in order for children to work towards our Raving Readers reward scheme.

P.E. Days

Please could you make sure that your child comes to school with the appropriate P.E. kit on the day that they have P.E. They need to be prepared for both indoor and outdoor P.E which should include suitable footwear (See reminders)

Details about suitable kit can be found in the schools uniform policy. Please ask if you are unsure.

Maths and Literacy Lessons

This year we have the benefit of 3 groups for teaching maths and English in Year 6, which will allow for more focused work in smaller groups. We hope that this will result in accelerated progress for your children.

Topic Work

The subjects that we shall be looking at are outlined below.

It has been lovely to see all the children settling into their new classes and we know that both the staff and children have really enjoyed the start of this week.

We hope that this continues!

From all the Year 6 staff.

6E staff: Mr Everatt, Miss Pearce, Miss Ali, Miss Richardson

6G staff: Mrs Goodman, Miss Teale, Miss Dyer, Mrs Stamer
