## Summer Term

This half term ..

In **English** we are looking at the story of the 3 little pigs and writing letters to the wolf. Next half term we will learn about Pirates.

In **Maths** we will be re-visiting place value, fractions, multiplication division and measurement.

In **PE** we will continue to focus on basic skills such as balance and control of our bodies.

In **Science** we are looking at Materials and Plants

In **History** we will be learning about the history of transport and in **DT** we will be making boats or cars to link to our history topic

### Coming into class

In preparation for year 3 and to develop their independence, we request that parents allow their children to come into the classroom on a morning on their own.

This will also ensure that the children are in class and ready to work promptly at 8.50am.

The classroom door is opened at 8.50am

### SATs

In May the children will have their SATs. They will complete a maths test, a reading comprehension and a spelling and grammar test.

We support the children with this by doing this in small groups over 3 weeks. The children will have breaks in between the tests and are reassured that its just like every day school work. We know how hard our children work and we just want them all to do their best.

If you or your child have

### Raving Readers

Well done to you all for reading so well at home. A few children have already reached 125 signatures and are well on their way to a hot chocolate and book

celebration.

Reading books are checked every **Thursday** when we also change the library books.

### Reminders

PE is on **Monday** and **Wednesday**

Your child needs a T-shirt and shorts to change into. As the weather is warmer now we will also be doing outdoor PE so pumps or trainers would be useful.

### Homework

On **Friday** maths or **English** homework is sent home which links to the work we have been doing during the week.

Please return homework books by **WEDNESDAY**.

I will be keeping a record of homework returned and completed well. The children who

have made the best
