

Year 3 Newsletter

Summer 2017

This Term

Welcome back to our final term in Year 3!

It' s really important now that we are in our final term that children settle themselves into class independently, ready to begin their morning activity.

The adults in **3TM** are Miss McCormack, Mrs Haughton, Miss Ruddock and Miss Keighley.

The adults in **3BM** are Mrs Milligan and Ms Teale.

Mrs Rennison will work with both classes throughout the week.

Children should be learning their spellings weekly to be tested every Friday. In English we will focussing on adventure quest stories, poetry, instructions and play scripts. In Maths we will be learning more about fractions, shape, measurement and statistics.

As a school we are working towards Investors in Pupils. Children have been given their own personal targets to work towards throughout the term.

Don' t Forget...

Indoor PE is on *Thursday* and outdoor PE is on *Friday*.

Children must bring a change of clothes, this can be left in school.

Important Dates

Thurs 4th May – Class Photos

Weds 14th June –
The Yorkshire Show

Homework

Every Monday, children will receive a piece of Literacy, spellings and a piece of Maths work to complete.

Book bags should be brought daily as children are encouraged to independently change their reading books.

Remember to read every night to earn rewards.

Homework is to be brought back on a **Friday** along with Raving Readers for us to record.

It is really important that children are **practising their times tables and spellings daily!**

Opera North

The children have now been given their own instrument to learn and are enjoying their weekly tuition. We hope you enjoyed our sharing performance last half term and hopefully we will get the chance to show off our skills again this summer!

Reminders

The door opens at 8:50 and lessons begin immediately.

We are always available to speak to you at the end of the school day.
